Letter of Employment

To Whom It May Concern,

This letter is to confirm that **Terrence Murray** has been offered and has accepted a position with **Brain Fog Software**, effective 2/9/2025.

Terrence Murray has been engaged as a **Designer and Front-End Developer** under the terms of a formal agreement for the provision of design and development services related to custom software applications. His responsibilities include but are not limited to:

- Interface design
- Mobile application UI/UX design (Business and Client apps)
- Front-end website development (customer-facing)
- Back-end application interface design (Business Management Software)
- HTML, CSS, and graphics design work related to the Software's functionality

If you require any further information regarding Mr. Murray's employment or role with our company, please feel free to contact us at the number or email address listed above.

Sincerely,

Craig Paull,
President
Brain Fog Software
